# How can you help?

## Dear Community Member,

We know you care about the Cedar Valley and want to showcase the pride and rich bonds each of us as citizens develops with our neighbors and community groups. No matter if you're straight, gay, lesbian, transgender, bi-sexual or you just don't like labels – CVP welcomes you to join us on August 23, 2014 to experience the acceptance of the LGBT community and the entire Cedar Valley.

We would welcome your support to put on this great event that draws thousands from all over Iowa, the Midwest and from 22 different states. But as our event grows, so do our expenses of putting on this great event. Your support goes a long way to help us provide a fun day for everyone who visits us during Cedar Valley Pridefest 2014 in Downtown Waterloo.

**Your most generous gift (even if it's \$100, \$50 or even \$25)** helps CVP give a voice to the diverse community that exists not only in the Cedar Valley but in all communities. While we have strong support of the business community, we also ask for personal gifts whose lives have been touched by an LGBT family member, friend or coworker. Your gift helps us share a message of equality, community and acceptance.

Here's why your gift is necessary:

- **Educate the community on LGBT issues that are relevant to all:**

We're planning new educational programs, art show and film festival will expand CVP and offer a wide variety of perspectives to our attendees.

- **Raise awareness of community groups that deal with LGBT issues:**

Support groups, religious groups, health organizations and more are highlighted every year in our day-long event and we provide exposure to the LGBT and greater community who may not otherwise seek out help.

- **Provide quality entertainment and exposure to LGBT performers and artists:**

Entertainment is the number one expense for an event like ours. Each year costs continue to rise and as our numbers increase the demand for higher quality entertainment goes up.

Joining us with your most generous gift can help ensure the stability and future of Cedar Valley Pridefest for this year and future years. We've teamed up with Americans for Democratic Action's Educational Fund to help. Through their fiscal sponsorship allowing us to offer you the chance to donate to a 501c3 and deduct your gift from your taxes.

**Please help make a difference today!**

# More about CVP

## Show your colors August 23.

### A day of diversity starts with you.

Join us **Saturday, August 23rd** from **Noon to Midnight** at **West Fourth & Jefferson Street** to celebrate our diversity and our community. It's not just for the gay, lesbian, bisexual and transgender people of the Cedar Valley. It's for everyone — come discover what it means to be LGBT in the Cedar Valley and stand for diversity, inclusion and acceptance.

Come celebrate the joys of diversity with LIVE music, information booths, food, female impersonators, beverages and more. This day-long event is geared to be inclusive for the whole family. Help be a role model and show that acceptance and inclusion is a choice.

In 2013, we saw a 40% increase of attendance to more than 3,500 people from 22 different states. Plus, we involved the whole community with more than 34 sponsors, 23 exhibitors and 22 food and merchandise vendors. The inaugural 2012 Cedar Valley Pridefest was a great success drawing in more than 2,500 people from 18 different states as well as 20 sponsors, 20 exhibitors and 10 food and merchandise vendors.

We are excited about the success of the first Cedar Valley Pridefest event and are looking forward to growing to reach a larger audience in the Cedar Valley and beyond. With positive word-of-mouth from 2012 and 2013, additional promotion, interesting vendors and exciting entertainment, our goal for 2014 is to establish Cedar Valley Pridefest as one of Iowa's must see events.
